User guide

Email settings

Username

Username: **<YOUR_USERNAME>**

Password: We don't keep records of this for security reasons, but if you need to have this reset we can SMS it to your mobile phone.

Outgoing mail

Outgoing (SMTP) server: `mail.carringbush.net.au`

Outgoing (SMTP) server requires authentication: Yes

- Select the option: "SMTP requires authentication" if available.
- For some Internet access providers the SMTP port may need to be changed from 25 to 1049.

Incoming mail

You can set your email to use either an IMAP or POP server. We recommend the use of IMAP as it is easier to coordinate mail across multiple devices, dektops PCs. Phones and pads.

Incoming (IMAP) mail server: `mail.carringbush.net.au`

- You shouldn't need to set an IMAP port number
