Dear Brothers and Sisters

The latest news and information from the Diocese.

DHHS Guidelines

The DHHS restart guidelines for religion and ceremonies has been released this afternoon. You can find it [here](#) and there is a link at the bottom of our COVID webpage. Please follow these guidelines as much as possible so that our churches are as safe as possible.

We know there have been numerous changes throughout this demanding year, and we are aware that some are still not sure of all details. Please refer to our diocesan [website](#) page if uncertain as we have tried to keep that up to date.

We do not expect another newsletter until the beginning of February.

Christmas greetings from the Archbishop, Bishops Brad, Kate, Genieve and Paul.

Grace and peace in Christ Jesus,

Archbishop Philip Freier
