FAQ

DHHS still recommends we do not use shared prayerbooks, hymnbooks or Bibles in pews.

Though masks are not mandatory indoors, DHHS still recommends caution in singing, and we continue to recommend wearing masks for distributing communion and whenever social distancing is hard to maintain.

Attendance records need to be kept for anyone indoors on church property.

For questions about restrictions, please check our website. If the question is not addressed there, please email Bishop Paul: bishoppaulbarker@melbourneanglican.org.au.

Grace and peace

Archbishop Philip Freier
