Dear brothers and sisters

We bring you some updates of information.

Archbishop Philip's video for this week

Service Vic App favourites

The Service Vic App has the facility for indicating favourite venues. If parishioners link their church as a favourite they can click on the favourite on entry but do not need to physically use the QR code on display. This may save some time queueing.

Refreshments

Refreshments cannot be served indoors before or after services for people of unknown vaccination status.

Resources in languages other than English
