1. Purpose

This policy expresses the Anglican Diocese of Melbourne’s commitment to safe ministry to fulfil the Church’s biblical, pastoral, legal and moral responsibilities, with the goal that all our ministries are spiritually, emotionally and physically safe.

This policy guides our behaviour and provides the foundation for ministry, programs and activities that are run in safe environments. In the Bible, we are given this command: “Love the Lord your God with all your heart, soul, mind and strength; and love your neighbour as yourself” (Deut 6:5, Matt 22:37, Luke 10:27). God calls us to love and minister to vulnerable and marginalised people – these are people who need special care, protection and support.

The Diocese seeks to develop a zero tolerance culture and build and maintain safe ministries by:

- Fostering relationships between church members, and those of the wider community, based on the teachings of Jesus Christ.
- Providing a safe and secure environment where all people are, and feel, respected.
- Having clear and well-communicated processes that empower all people, including children and other vulnerable people.
- Providing responsible and loving Christian leadership and ministry built on Scripture.
- Minimising the risk of misconduct and abuse and the misuse of positional power.
- Ensuring that all complaints of misconduct and all other grievances are handled in a consistent, unbiased, fair and thorough manner.
- Fulfilling our biblical, pastoral, legal and moral obligations.

2. Scope

This policy outlines our commitments, responsibilities and procedures for safe ministry. It applies to everyone in roles, offices and positions in our Diocese, including in St Paul’s Cathedral, parishes and Authorised Anglican Congregations (‘AACs’).

3. Policy Statements

As a Diocese, we are committed to the spiritual, emotional and physical safety and well-being of all people participating in the life and ministries of our Church:

1. We acknowledge that all people in our Church have a right to feel and be safe in their interactions and experiences in all our ministry, programs and activities.
2. We acknowledge the need for sensitivity to, and consideration of all people of Aboriginal and Torres Strait Islander background, and culturally and/or linguistically diverse backgrounds, and any person with a disability.
3. We commit ourselves to the welfare of all people through our acts, regulations, codes of conduct, policies, guidelines, procedures and related safe ministry documentation, which includes:
 - i) Guidance for safe and supportive physical and online environments where people are listened to and feel safe as they develop faith and a connection with God and others.
 - ii) Safe and effective recruitment, training, supervision, support and resourcing.
 - iii) Appropriate and timely responses to all complaints of alleged misconduct and all other grievances.
 - iv) Pastoral care in responding to those who have been abused.
 - v) Safe and appropriate ministry to persons of concern.
4. We acknowledge the role of children, parents and guardians in creating a culture of child safety and will actively engage with children and their parents and guardians, inviting open communication and feedback.
5. We acknowledge the shared responsibility of the whole community for child safety and welfare, including parents, guardians and people in roles, offices and positions within the Church. As such, we will actively promote the role of parents, guardians and the wider community in the shared responsibility for child safety.
6. We are committed to thorough and effective governance for safe ministry to children and vulnerable people at the Diocesan and parish level.
7. We will engage in continuous improvement of our acts, regulations, codes of conduct, policies, guidelines, procedures and related safe ministry documentation.
